SUMMARY	Junior Data Analyst with hands-on experience in SQL, Tableau, and Python. Skilled in data visualization, reporting, and performance analysis. Passionate about transforming raw data into actionable insights that support business decisions. Known for strong time management, attention to detail, and an organized approach to achieving goals efficiently.		
HARD SKILLS	- SQL - Python - Statistics and Data Analysis - A/B Testing and Metrics Evaluation - Data Cleaning and Transformation		
TOOLS	Tableau, Google Looker Studio, PostgreSQL, DBeaver, Python, Pandas, NumPy, Excel, Google Sheets, BigQuery		
SOFT SKILLS	Analytical thinking, Attention to detail, Time management, Teamwork, Responsibility, Adaptability, Communication skills, Stress-resistant		
PROJECT EXPERIENCE	SQL Analytics Case Studies GitHub link Description: Designed and implemented SQL queries to extract and analyze marketing and user data for multiple case studies. Tasks: Created CTE-based analytical reports, calculated CTR, ROMI, conversion metrics, and performed data cleaning. Tools: PostgreSQL, DBeaver, Google BigQuery. Results: Improved query efficiency and accuracy of marketing performance insights. Shipment Speed Dashboard Tableau dashboard Description: Built an interactive Tableau dashboard analyzing shipment delays and profit distribution by category and location. Tasks: Connected and cleaned datasets, created calculated fields and KPI cards, and visualized shipment performance trends. Tools: Tableau, Google Sheets. Results: Reduced analysis time by 30% and identified key regions with delayed deliveries.		
WORK EXPERIENCE	Customs Clearance Agent Garant Export LLC 2021 – Present Tasks: Prepare and manage export and import documentation, ensure compliance with customs regulations, and coordinate communication with customs authorities. Results: Streamlined clearance processes and improved accuracy of submitted documentation, reducing processing time. Customs Clearance Agent Cersanit Invest LLC 2020 – 2021 Tasks: Prepared and submitted import documentation for customs processing, ensuring compliance with laws and internal procedures. Collaborated with logistics and supply chain departments. Results: Supported efficient import operations and maintained a 100% compliance record during audits. Customs Trainee Inspector Zhytomyr Customs, State Customs Service of Ukraine 2015 – 2016 Tasks: Processed goods under various customs regimes and verified documentation according to Ukrainian legislation. Assisted in data entry, compliance checks, and validation of supporting documents.		
EDUCATION	- IT School GoIT – Data Analytics Course (2025) - Kyiv National University of Trade and Economics – Master’s degree, Customs Affairs (2011–2017) - Zhytomyr National Agroecological University – Junior Specialist, Accounting and Auditing (2008–2011)		
LANGUAGES	English – Pre-Intermediate Ukrainian – Native
